Re: ARP: American Rescue Plan (HEERF III)

Thaddeus Stevens College of Technology received Federal funds through the American Rescue Plan (ARP) to assist students with expenses incurred as a result of COVID-19. A portion of these funds will go directly to students.

The College has decided to allocate 55% of the student portion of the funds to students who are Pell Grant recipients and the remaining 45% of the student portion of the funds to Non-Pell Grant recipients.

For any student with an outstanding balance due to Thaddeus Stevens College of Technology: receipt of these funds does not negate your balance due to the College. If you are unsure of your balance, please feel free to e-mail Accounts Receivable at mlhohrath@stevenscollege.edu

Thank you,
