

# Fire Drills

TSCT Safety Committee

# Why?

- Student Safety Concerns
- State Mandate

# Area Supervisors / Instructors

- Review evacuation routes with your people. (Quickest / Safest way out)
- Designate an assembly area. (Close to your exit, but away from the hazard.)
- Establish accountability for your group.

# Accountability

- Send a runner to the building rally point (RP).
- RP is the East side of building.

# Building Reps.

- Instructors / Supervisors will report evacuation and accountability to building supervisor (YOU).
- Document their report.

# Emergency Coordinator

- Gene Duncan (or designee) is the Emergency Coordinator.
- EC will meet you at the rally point.
- The EC will give you further instructions at that time.

## What do Building Reps need to do?

- Generate a check list of Instructors in your building.
- Record their reports when runner reaches you. (keep runner w/ you)
- Report building accountability to EC upon his/her arrival.
