| NOTICE OF FILING OF APPLICATION UNDER THE U.S. DEPARTMENT OF LABOR'S PERMANENT LABOR CERTIFICATION PROGRAM |
| --- |

This notice is being provided as a result of the filing of an application for permanent alien labor certification for the relevant job opportunity.

Any person may provide documentary evidence bearing on the labor certification application to the appropriate DOL office with jurisdiction over the location where the alien beneficiary will be physically working.

An application concerning the employment of one or more alien workers for the following position will be filed with the Department of Labor (for non-schedule A positions), or with the Department of Homeland Security (for Schedule A positions). This Notice of Filing will be posted for 10 consecutive business days, not including weekends or federal holidays, ending between 30 days and 180 days before the filing of the permanent labor certification application.

POSITION TITLE:    University Instructor - Full-Time Instructor Position in Computer Software Engineering Technology

POSITION DUTIES:

Primary Responsibilities:

Thaddeus Stevens College of Technology announces an opening for a full-time instructor in Computer Software Engineering Technology. The instructor will teach courses that cover the fundamentals of web application development (including HTML, CSS, JavaScript, and a framework-driven language such as Ruby or PHP), database design and management, web and application security, developer ethics, and other related topics. The instructor will teach the first year courses of the program, and will coordinate the teaching of second year courses by adjunct faculty. Topics covered in the second year will include API and platform integrations, project management workflows and customer/team interaction, and advanced technical topic electives.

The minimum job requirements for this position is a master's degree in computer science, information and technology, software engineering or a related field or its equivalent and at least five years of professional experience in the software engineering industry. In the alternative, a candidate may hold a bachelor's degree in the aforementioned fields plus a minimum of 10 years of professional experience in the software engineering field. The successful candidate must be competent in business software, and in programming with current technologies and possess interest in keeping pace with new and emerging platforms that will provide the most benefit to students in their career after completion of the program.

Key course topics (not all inclusive):
- Modern Application integration methodologies
- Building a simple REST API
- Consuming web services via REST API
- Data analysis process
- Creating dynamic reports
- Combining data analysis and report generation
- Workplace communications
- Conflict/resolution
- Managing project expectations
- Project and team evaluation
- Customer/team interaction
- Software design patterns
- System architecture

**In-Person Requirement:**
Thaddeus Stevens College of Technology
750 E King St
Lancaster, PA 17602

RATE OF PAY: $59,991 per year. The employer will pay or will exceed the prevailing wage, as determined by the U.S. Department of Labor, which was determined to be $59,991 per year.

LOCATION: This is an in-person position. 750 East King Street, Lancaster, PA 17602.

HOW TO APPLY: You also may submit your resume and cover letter to the address above or by way of e-mail to: burky@stevenscollege.edu.

This notice is provided in compliance with 20 CFR 656.10(d). Any person may provide documentary evidence bearing on the application to the Certifying Officer of the U.S. Department of Labor holding jurisdiction over the location of the proposed employment. Contract information for these offices can be found on the internet at https://www.dol.gov/agencies/eta/foreign-labor/contact.

Specifically, any person may provide documentary evidence bearing on this application to Certifying Officer at the following address: U.S. Department of Labor, Employment and Training Administration, Office of Foreign Labor Certification, 200 Constitution Avenue, NW, Room N-5311, Washington, DC 20210.

This notice is being provided to workers in the place of intended employment by:

Posting a clearly visible and unobstructed notice, for at least ten (10) consecutive business days, in conspicuous location(s) in the workplace, where the employer's U.S. workers can readily read the posted notice, including but not limited to locations in the immediate vicinity of the wage and hour notices

AND

Publishing the notice in any and all in-house media, whether electronic or printed, in accordance with the normal procedures used for the recruitment of similar positions in the employer's organization.

The notice is also being provided to presented to the Pennsylvania State Education Association by way of mail at 4750 Delbrook Road, Mechanicsburg, PA 17050 and by sending the same to the UniServ Representative by way of e-mail to AWeber@psea.org with a cover letter on:

DATES FOR UNION MAILING AND EMAIL: August 30, 2024

DATE POSTED:    8/30/24

DATE REMOVED: _____

LOCATIONS WHERE THE NOTICE WAS POSTED:   1.   The common area/break room at the Employer's office near the other employment posters
            2.   The office of Human Resources

MEANS OF IN-HOUSE NOTICE, if applicable:     On the Employer's Intranet
